

March 2020

## **Chris Bird Dental Care**

### **COVID-19 Safety Measures**

As a practice, we are carrying out the following extra measures every day:

- Wiping all door handles inside and outside
- Systematically wiping/cleaning of all surfaces
- Increased frequency of cleaning of all surfaces and high touch areas
- Cleaning/disinfecting all instruments and surfaces after every patient as per our existing practice protocol
- Additional cleaning in all public areas
- Staff are continuing to be extra vigilant regarding personal hygiene and hand washing with access to sanitiser and hand washing facilities

Additional actions that we have taken to lower the risk of infection:

- Hand sanitiser is available throughout the practice
- Repositioning of seating in our waiting room to give more space between patients
- Creating a 2-metre distance between patients and desk staff
- Removal of magazines, newspapers, books and children's toys from the waiting area
- Cups and water usually available for patients have been removed from the waiting area to avoid cross contamination. Please ask a member of staff if you require a drink of water
- We will follow Government Guidance if any of our staff are feeling unwell or show potential symptoms of COVID-19
